

Quick Toasts with Cheese and Za'atar

Empty fridge? No problem! To make quick toasts with cheese and aromatic za'atar, you only need a few ingredients that most of us have at home.

INGREDIENTS

- 4 slices of good quality bread
- 4 slices of cheese
- 2-3 tablespoons of za'atar Jasmeen
- 2 teaspoons of butter (or mayonnaise)

Preparation:

On the bread, we place cheese, sprinkle everything with za'atar, and then cover it with another slice of cheese and bread. We spread butter (or mayonnaise) on both sides of the bread and toast it until golden brown. Serve with seasonal vegetables. The toasts can also be spread with harissa for extra flavor.
